2025 Competition!

Dear friends

As the 2025 season comes to an end CMS is again holding our fun dugga boy and elephant compo with some great prizes indeed! The Draw for both will be at the 2026 DSC in Atlanta – Good Luck.

1. Buffalo Competition

We shot 55 buffalo this season (ironically more than one for every week of the year) All the buff fell into the important criteria of been hunted on foot in free range huge areas that do not selectively breed-hunting the way it should be!!!

CMS is committed to sustainable hunting in our concessions. To do this we try to focus on post breeding age dugga boys rather than herd bulls. Over time this has improved our trophy quality tremendously. Here are a few for you to judge!

The rules are simple. Please estimate the age of all of the 33 buffalo below - combine the scores and submit by email to hunting@cmsafaris.com. Dr Kevin Robertson will be the judge as he is with out doubt the most qualified person to do this. If there is more than one winner the fellow who entered first will be the winner.

Below is the list of great prizes

- A stunning signed print from world renowned artist Peter Stewart of a dugga boy “The Patriot” – image posted at the end of this document.
- Limited edition “Rigby Resurrection” – signed by Marc Newton
- Custom made knife – “The Duggaboy” donated by untamedknives.com
- CMS shirt and cap
- Signed copy of Buzz’s book, “Tall Tales”
- A custom-made buffalo leather belt

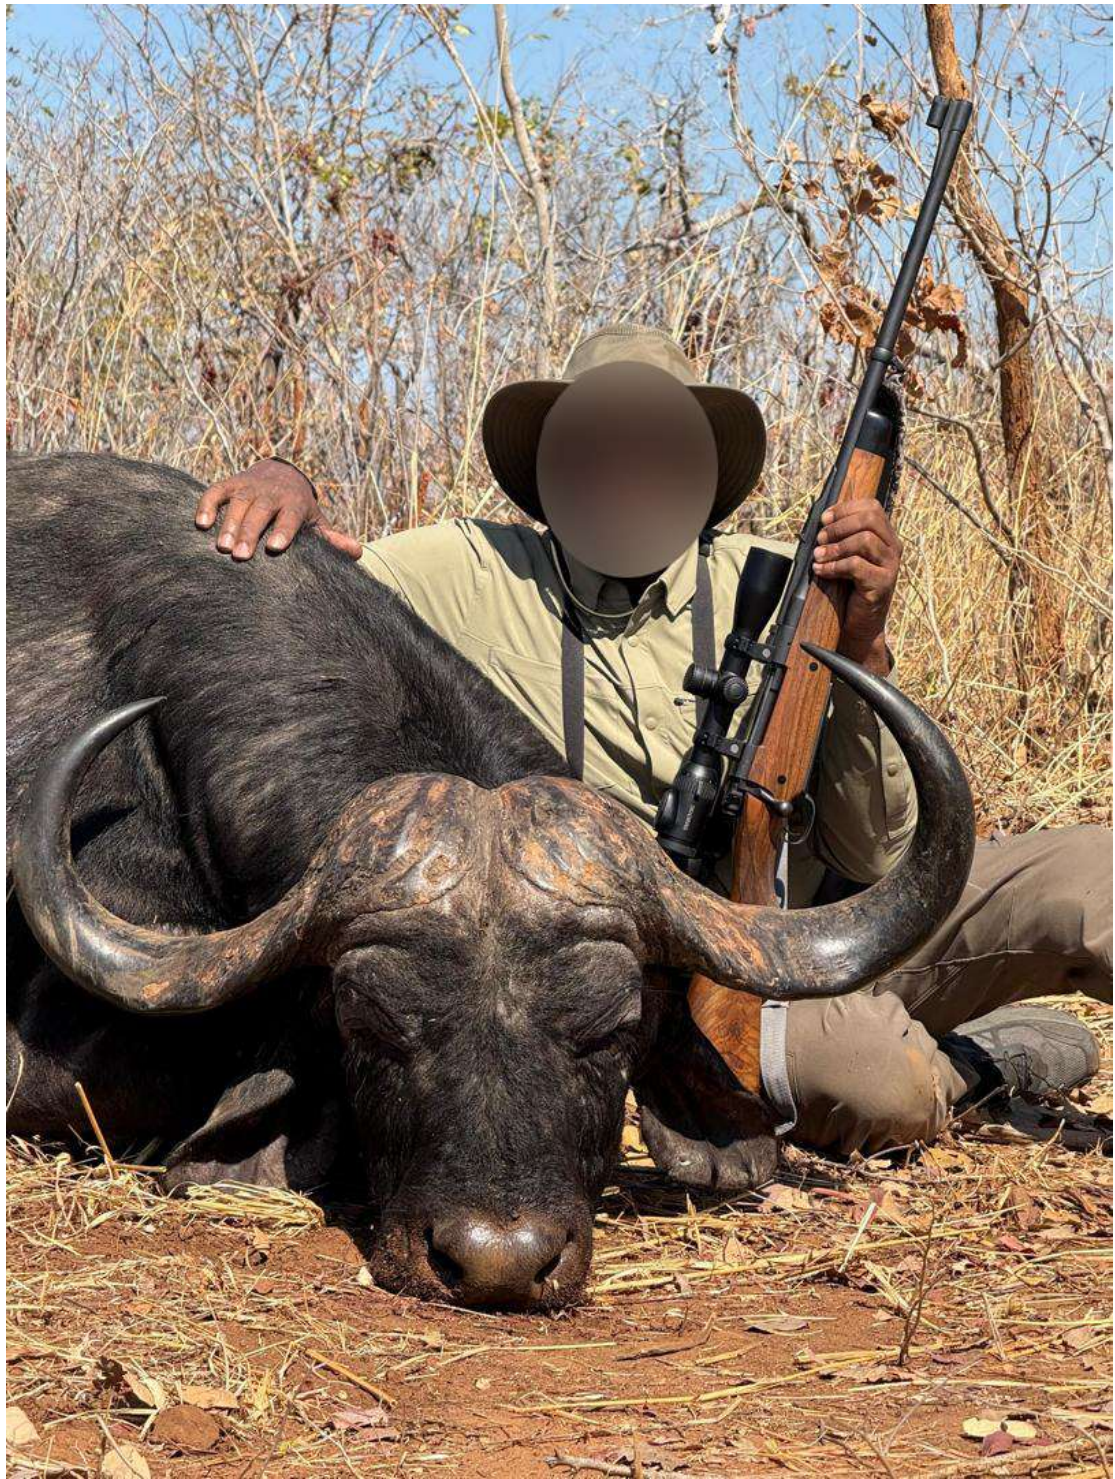

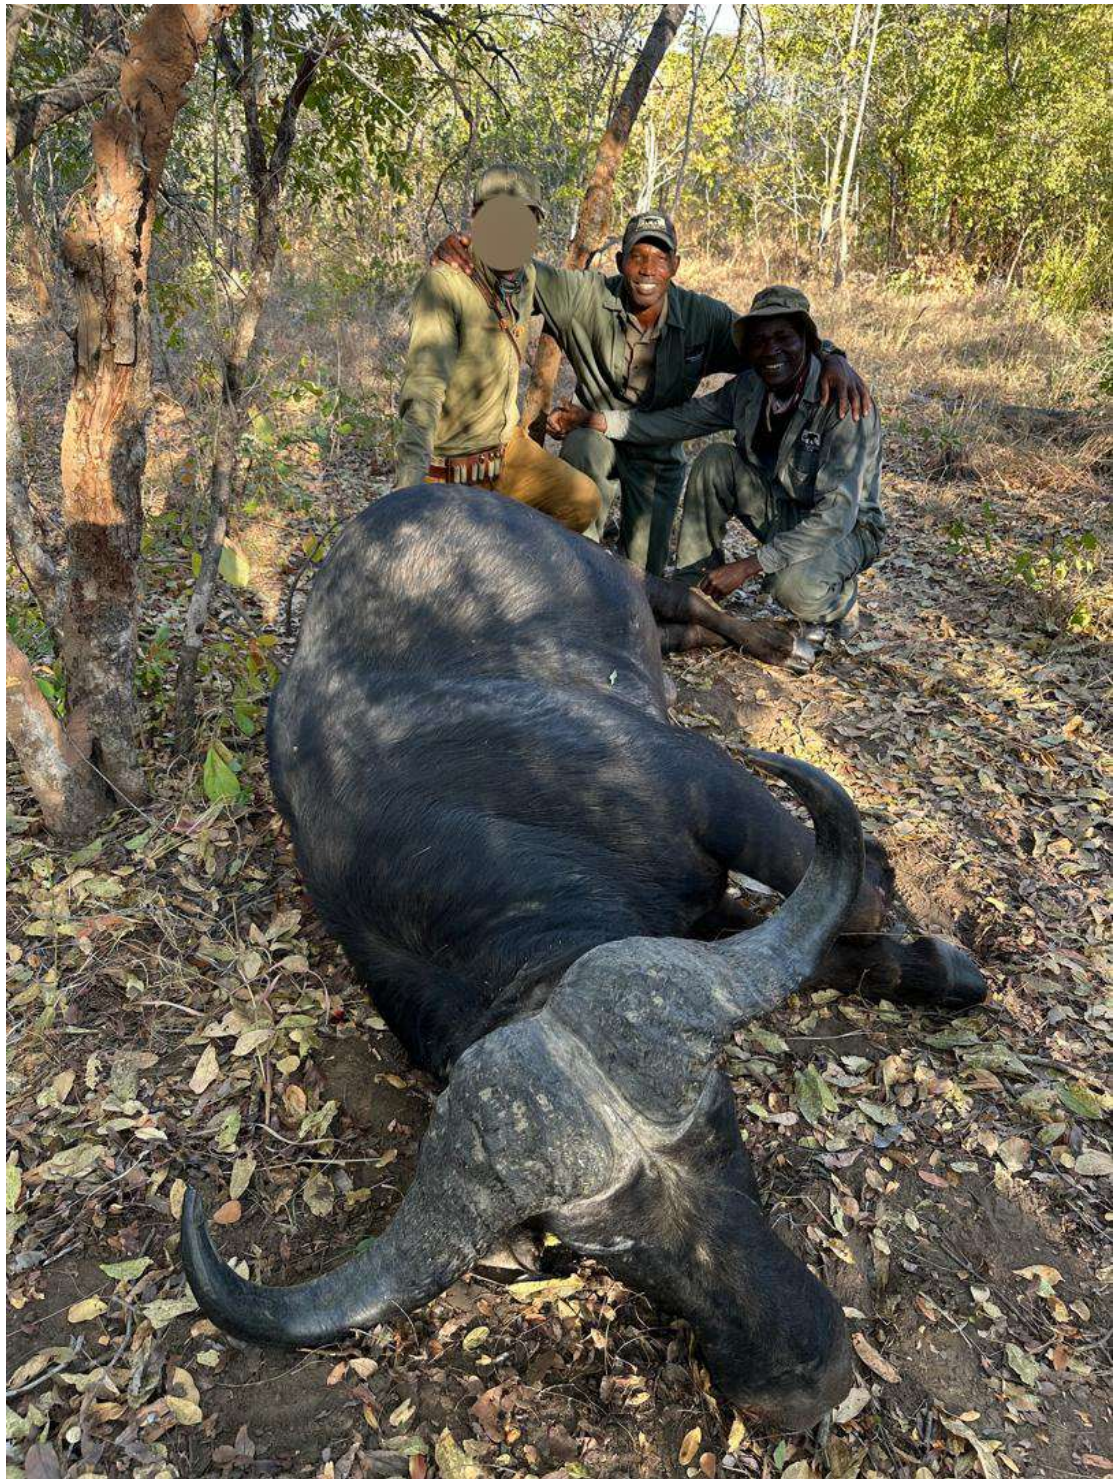

Guess the combined aged of the above 33 buffalo bulls, and drop us an email on hunting@cmsafaris.com

2. Elephant Competition

We shot several excellent ele this season. All the ele bulls fell into the important criteria of been hunted on foot in free range huge areas not using lights at night or airplanes or drones -hunting the way it should be!

The rules are simple. Please estimate the weight of the heaviest tusk on each of the below 12 elephant. Then combine the scores and submit by email to hunting@cmsafaris.com.

I have the official weights as by law we have to weigh them and I will use these official weights to determine who the winner is. If there is more than one winner the fellow who entered first will be the winner. The winner will receive:

- A stunning signed print from world renowned artist Peter Stewart of a beautiful ele bull “The Custodian” – image posted at the end of this document.
- Limited edition “Rigby Resurrection” – signed by Marc Newton
- A signed copy of Richard Harland’s book - Ndlovu

Guess the combined weights of just the heaviest tusk from each of the 12 elephant above, combine them and drop us an email on hunting@cmsafaris.com. The Draw for both will be at the 2025 DSC in Atlanta – Good Luck!
